Discussion of printed newsletter - We pay \$149 for the printing of 300 copies. The Jan newsletters were late going out because the printer was on vacation week between Christmas and New Years. We need to plan for this in the future. Also we discussed distribution of the newsletter our side the Senior Center. In the past they were brought to the libraries. Need to make sure this is still happening. Carol will call Anne Reed to ask how this should be handled. Will check with Ruthann about copies getting to Goddard House and Center Communities.

Public Relations/Media: Eleanor is working on an article about the Age Friendly Businesses. She asked for clarification on a few points in the article. Jude is working with her on the list of distribution sites. The AARP was mentioned but no one was sure who is the person to contact at AARP.

Website: John continues to keep the site up dated with items as he learns of them.

Next meeting: Feb 13, 2019 @ 2 pm.
